GREASE BREAKER

POWERFUL ALKALINE CLEANER

Form: Liquid **Color:** Slight Yellow **Odor:** Detergent

- Special cleaners include grease dissolvers and rinse additives.
- Recommended for cafeterias, restaurants, bakeries, food processing plants, hotels, etc., to use on countertops, grills and tables to eliminate grease, grime and stains.
- Apply at full strength or dilute depending upon the severity of the job.

GREASE BREAKER from Share is a powerful cleaner with the necessary characteristics and capabilities to pervasively cut through grease as well as chisel away baked on food waste. **GREASE BREAKER** uses a series of exceptional alkaline ingredients that break down your worst grease and crust build-ups to restore kitchenware to its original silvery shine. Use it on a variety of surfaces without the worry of leaving an unsightly residue.

Other **GREASE BREAKER** Uses . . .

Coil Cleaner
Use at a 1 to 30 dilution.

Wax Stripper
Apply full strength.

Fire Hose/Coat Cleaner
Use at a 1 to 40 dilution.

Concrete Cleaner
Use at a 1 to 10 dilution.

Smoke House Cleaner
