

# BIO-MAX

## Multi-Functional Restroom Cleaner

- **Acid-free** formulation safe for use on porcelain, ceramic and chrome fixtures.
- Cool minty fragrance leaves restroom **smelling clean and fresh**.
- Added **bacteria cultures digest organic waste** from drains and pipe walls.

**BIO-MAX** multi-functional restroom cleaner has been formulated for the daily maintenance of most bathroom areas. It is a 100% biodegradable cleaner, making it environmentally responsible and safe to use on most bathroom surfaces. **BIO-MAX** is designed to accomplish three important aspects of any cleaning job. First, the detergents and light de-scaling agents cut through filmy residue and remove hard water stains, uric acid and other restroom soils. Second, the deodorizing, cool minty fragrance found in **BIO-MAX** eliminates stale odours associated with bathrooms, leaving a fresh, clean scent. Finally, the live bacteria cultures and enzymes eat away at organic waste matter to keep bathroom plumbing clear of build-up.
