

BIO-MAX

MULTI-FUNCTIONAL RESTROOM CLEANER

Form: Liquid

Color: Teal

Odor: Minty

- Acid-free formulation safe for use on porcelain, ceramic and chrome fixtures.
- Cool minty fragrance leaves restroom smelling clean and fresh.
- Added bacteria cultures digest organic waste from drains and pipe walls.

BIO-MAX multi-functional restroom cleaner has been formulated for the daily maintenance of most bathroom areas. It is a 100% biodegradable cleaner, making it environmentally responsible and safe to use on most bathroom surfaces. **BIO-MAX** is designed to accomplish three important aspects of any cleaning job. First, the detergents and light de-scaling agents cut through filmy residue and remove hard water stains, uric acid and other restroom soils. Second, the deodorizing, cool minty fragrance found in **BIO-MAX** eliminates stale odors associated with bathrooms, leaving a fresh, clean scent. Finally, the live bacteria cultures and enzymes eat away at organic waste matter to keep bathroom plumbing clear of build-up.

DIRECTIONS:

Just apply and wipe with our ready-to-use formula, multi-functional product cleans, deodorizes and keeps drains clear.

DEMO/TIP: Wipe a counter or wall in a bathroom and point out the freshness of the fragrance. Also dilute at a 20:1 dilution and clean the mirror to show the product's versatility.
