

CAR WASH & WAX CONCENTRATE

ONE-STEP CLEANER & PROTECTOR

Form: Liquid

Color: Yellow

Odor: Detergent

- For use in machine or hand washing operations.
- Safe effective cleansers remove dirt and filth but won't harm the vehicle's wax finish.
- Specially selected ingredients make this a biodegradable formulation.

CAR WASH & WAX CONCENTRATE is a specially formulated shampoo that both washes and waxes your vehicle in one easy step to save you time, labor and money. This amazing two-in-one solution deposits a durable wax coating to fill the pores of your car's finish and provides a shiny gloss without buffing. Since **CAR WASH & WAX CONCENTRATE** also resists water; rain quickly beads up and runs off your car's finish. **CAR WASH & WAX CONCENTRATE** is safe and gentle on your hands because it contains no abrasives, acids or alkalis.

Other **CAR WASH & WAX** uses . . .

Airplane Wash & Wax

Use at a 1 to 60 dilution.

Cold Automatic Automobile Wax

Use at a 1 to 60 dilution.

Fire Truck Wash & Wax

Use at a 1 to 60 dilution.

Railroad Car Cleaner

Use at a 1 to 30 dilution.

Camper Cleaner & Wax

Use at a 1 to 60 dilution.

DIRECTIONS: Mix thoroughly 1 to 2 ounces of **CAR WASH & WAX CONCENTRATE** per gallon of warm water. Hose off car with clear water before washing. Apply solution with a soft cloth or wash mitt. Rub gently as the solution is applied, making sure that all parts of the car are covered. Rinse thoroughly with clear cold water which will set the wax and produce a high gloss. Use a chamois or absorbent cloth to dry off water remaining on the surface.

DEMO/TIPS: Mix up 2 ounces in a gallon of warm water and clean a portion of a vehicle.
