

CARPET SPOT REMOVING TOWELS

REMOVES STAINS FROM CARPET & UPHOLSTERY

Form: Premoistened Towels

Color: White

Odor: Citrus

With **CARPET SPOT REMOVER TOWELS**, it is now possible to simply wipe away heavy carpet stains and odors using only a towel.

These special towels are pre-moistened with a combination of powerful cleaning agents and live waste-digesting bacteria which remove tough stains.

CARPET SPOT REMOVER TOWELS are also excellent at countering odors. As stains are blotted, the towels immediately suppress odors with a pleasant fragrance. When moistened and left on the affected areas overnight, the bacteria in the towels continue to provide odor control by digesting organic waste that causes malodors. This is especially helpful in eliminating foul stains caused by pets, vomit, mold, mildew and spoiled food.
