

CITRA SOLVE

Flush-Off Solvent Degreaser

- **Strong** enough to remove **tough, thick** deposits such as asphalt, tar, wax and gum.
- **Colorless**, non-staining formula is safe on carpets, upholstery and painted surfaces.
- All-natural citrus solvent is **biodegradable** and contains **no chlorinated** solvents, petroleum distillates, CFC's or ozone depleting substances.

Take care of grime, dirt, oil and even tar with the all natural cleaning solvent **CITRA SOLVE** from Share. **CITRA SOLVE** contains the powerful degreasing solvent d'Limonene, a remarkable solvent made from orange peel extracts. This potent ingredient along with other emulsifiers and detergents give **CITRA SOLVE** the muscle to strip through and lift dirt and grease deposits that accumulate on a variety of surfaces. Use it to clean metal, brick, fiberglass, concrete and plastic. Just spray a light coating on soiled surfaces, wait a few minutes and flush with a clean water rinse. **CITRA SOLVE** also makes a great cleaner on industrial equipment, engines and tools. No matter what the surface, Share's **CITRA SOLVE** will serve your purpose.

Other Uses:

Wax Remover, Tar & Asphalt Remove, Gum Remove, Garbage Truck Deodorant, Barbecue Grill Cleaner, Decal Remover, Upholstery, Painted Surface, Carpets/Rugs, Metal

Directions:

Hold can 8 to 12 inches from the surface. Apply **CITRA SOLVE** completely over the surface to be cleaned. Allow solvent to penetrate for a few minutes, then flush off with water under pressure.
