

# CITRONELLA DEODORANT

## Deodorant

**Form:** Liquid Gel    **Color:** Yellow    **Odor:** Citronella

- Formulated with Citronella
- Use on almost any surface such as picnic tables, tent flaps, lawn chairs, window screens, etc.
- Sprays as a liquid but sets up as a clinging gel – will not run or drip from vertical surfaces.

Help to enhance the outdoors for the daily camp and park crowd with Share's **CITRONELLA DEODORANT**. The all-natural subtle aroma of citronella creates a perimeter in which local outdoor enthusiasts and workers can enjoy a serene environment. Best of all **CITRONELLA DEODORANT** sprays as a liquid but quickly sets up as a thick gel, allowing application to walls and ceilings without running. Because of its clinging ability, it lasts longer than quick-drying aerosol sprays to provide extended residual action. Spray **CITRONELLA DEODORANT** on surfaces such as picnic tables, garbage cans, tent flaps, lawn chairs, window screens, benches, doorframes, portable toilets and many more. Help your visitors enjoy their outdoor experience with Share's **CITRONELLA DEODORANT**.

**CITRONELLA DEODORANT** for use in . . .

Picnic Tables  
Chairs  
Benches  
Walls  
Door Frames  
Window Frames

Tent Flaps  
Table Legs  
Garbage Cans  
Dumpsters  
Portable Toilets  
Window Screens

**Directions:** Shake well before using. Adjust the trigger sprayer to wide spray pattern. Select surface to be sprayed that will have the maximum air flow and still be as close as possible to the problem area. Apply **CITRONELLA DEODORANT** to surface with a wide sweeping motion. The larger the area covered, the greater the effectiveness. Reapply as needed.
