

COIL & FIN CLEANER

WATER BASED

Form: Liquid Spray **Color:** Clear Light Yellow **Odor:** None

- Clings – Will Not Run Off
- No Acids – No Alkalies
- Spray It On – Let It Set – Hose It Off

COIL & FIN CLEANER cleans and degreases air conditioning and refrigeration equipment to ensure efficient operation and to help prevent overheating and motor burnout due to accumulated dust, dirt and grease in air spaces. Contains no solvents, acids or alkalis. Use on automobile radiators, heat pumps, electrostatic filters, refrigerators, air conditioners and cooling units. Eliminates the need for high pressure sprayers or bulky tank sprayers.

This high foaming product with clinging action cleans and degreases air conditioners and refrigeration equipment to ensure efficient operation and to help prevent overheating and motor burnout due to accumulated dust, dirt and grease in air spaces. Contains no solvents, acids or alkalis. Use on automobile radiators, heat pumps, refrigerators, air conditioners and cooling units. Eliminates the need for high pressure sprayers or bulky tank sprayers.

Use on . . .

Automobile Radiators
Heat Pumps
Electrostatic Filters
Refrigerators
Air Conditioners & Cooling Units

DIRECTIONS: SHAKE WELL BEFORE USING

Allow **COIL & FIN CLEANER** to set 10 to 15 minutes or longer. On heavily encrusted areas, some brushing may be necessary. Hose off with a stream of water. Repeat, if necessary, on stubborn deposits.

PINPOINT BLAST SPRAY WITH 360° SPRAY ANYWAY VALVE

DEMO/TIPS: Spray **COIL & FIN CLEANER** on a vertical surface and point out the clinging action and absence of odor.
