

FRESH LINEN

Dry Aerosol Deodorizer

- *Dry aerosol formula **eliminates** tough **malodours** at their source for lasting odour control.*
- *Convenient aerosol is **economical** for use in areas with heavy odour problems.*
- *Pleasant, fresh linen scent. Spray **does not cause 'rain out' or misting on surfaces.***

FRESH LINEN AIR FRESHENER is formulated with special neutralizing agents which are designed to suppress the source of smoky, stale odours, leaves behind a clean, fresh aroma. It is safe for use with all textiles, curtains, upholstery, carpeting and clothing hampers because it will not stain fabrics. Use this powerful air freshener to enhance all types of environments in commercial and institutional settings.

Other Uses:

Restaurants, Schools, Hotels, Motels, Nursing Homes. On textiles such as Rugs/Carpets, Upholstery, Cushions/Pillows, Clothing, Drapes

Directions:

To deodorize the air: Spray **FRESH LINEN AIR FRESHENER** wherever odorous occur. Allow a few seconds for the fragrance to bloom. To deodorize textiles: Hold can 12 to 15 inches from surface and direct spray evenly. At this distance, spray will not stain delicate fabrics.
