

FRESH LINEN

DRY AEROSOL DEODORIZER

Form: Aerosol Liquid **Color:** Colorless **Odor:** Fresh Linen

- Dry aerosol formula eliminates tough malodors at their source for lasting odor control.
- Convenient aerosol is economical for use in areas with heavy odor problems.
- Pleasant, fresh linen scent. Spray does not cause 'rain out' or misting on surfaces.

FRESH LINEN AIR FRESHENER is formulated with special neutralizing agents which are designed to suppress the source of smoky, stale odors, leaves behind a clean, fresh aroma. It is safe for use with all textiles, curtains, upholstery, carpeting and clothing hampers because it will not stain fabrics. Use this powerful air freshener to enhance all types of environments in commercial and institutional settings.

Great for use in. . .

Restaurants
Schools
Hotels
Motels
Nursing Homes

Textiles such as. . .

Rugs/Carpets
Upholstery
Cushions/Pillows
Clothing
Drapes

DIRECTIONS: To deodorize the air: Spray **FRESH LINEN AIR FRESHENER** wherever odors occur. Allow a few seconds for the fragrance to bloom. To deodorize textiles: Hold can 12 to 15 inches from surface and direct spray evenly. At this distance, spray will not stain delicate fabrics.

DEMO/TIPS: Spray a piece of fabric 12-15" from surface and point out the non-staining feature.
