

# GLASS CLEANER

Easily Removes Stubborn Soil Quickly

- *Easy to use, contains **no ammonia**.*
- ***Penetrating foam** helps lift out soils.*
- *Leaves surface **clean, bright and crystal clear**.*

**GLASS CLEANER** is an efficient, economical, high foaming glass cleaner. Contains oil-cutting detergents, solvents and degreasers. The heavy-bodied foam clings to the surface and easily cleans away a multitude of dirt, grime, greases, films, smears and bugs. Contains no oils, waxes or silicones - leaves no dirt-attracting streaky film or residue. Produces a truly clear surface that stays clean longer.

## Other Uses:

---

Windshields, Showcases, Windows, Mirrors, Tile, Chrome, Walls, Plastic, Porcelain, Enamel, All Glass & Plastic Surfaces.

## Directions:

---

Shake **GLASS CLEANER** well before using and occasionally during use. Spray onto surface to be cleaned and wipe dry with a clean, dry cloth.
