

GLASS CLEANER

EASILY REMOVES STUBBORN SOIL QUICKLY

Form: Foam

Color: White Liquid

Odor: Floral

- Easy to use, contains no ammonia.
- Penetrating foam helps lift out soils.
- Leaves surface clean, bright and crystal clear.

Efficient, economical, high foaming glass cleaner. Contains oil-cutting detergents, solvents and degreasers. The heavy-bodied foam clings to the surface and easily cleans away a multitude of dirt, grime, greases, films, smears and bugs. Contains no oils, waxes or silicones - leaves no dirt-attracting streaky film or residue. Produces a truly clear surface that stays clean longer.
