- Extra-strength formula gets rid of tough stains and hard water deposits.
- 23% hydrochloric acid.
- Cleans and deodorizes.

Ready-to-use **HEAVYDUTY 23% BOWL CLEANER** has a high concentration of acid cleaners to power away stubborn rust stains and lime scale. At the same time, it deodorizes toilets and urinals. **HEAVY DUTY 23% BOWL CLEANER** handles the toughest cleaning jobs in hard water areas, with a minimum of manual scrubbing. Safe for use with septic system when following label directions.

### **HD Bowl Cleaner 23% . . .**

Removes Rust

Eliminates Offensive Odors

Removes Lime

Destroys Harmful Bacteria

Removes Uric Acid Deposits

### **DIRECTIONS:**

**TOILET BOWLS:** Flush and then force as much water as possible from the bowl by pushing it over the trap with a bowl mop. Apply cleaner with the mop, cleaning the entire inside surface. Flush to rinse bowl and mop in the water.

**URINALS:** First flush, saturate the mop head with cleaner, then thoroughly wet and clean all surfaces. Give particular attention to the grooves along the sides of the water outlets at the top. After the surface is clean, remove urinal bottom screen and pour 2 to 5 ounces on the edge and into the trap. Allow to stand 3 to 5 minutes then swab the inside pipe thoroughly. Replace the screen and flush.

### **CONSULT PRODUCT LABEL FOR DETAILED USE DIRECTIONS**

**DEMO/TIPS:** Plunge water through toilet bowl. Squirt **HEAVY DUTY BOWL CLEANER 23%** around the rim of the toilet bowl, let stand for 1 minute, then swab with a bowl swab and flush away.
