

HPO

READY-TO-USE CLEANER POWERED WITH HYDROGEN PEROXIDE

Form: Liquid **Color:** Clear **Odor:** Citrus

- Powerful cleaner that destroys grease and stains and deodorizes as it cleans.
- Eliminates hard-to-remove stains and restores original color.
- Versatile, effective and easy-to-use multi-surface cleaner.

This ready-to-use multi-surface cleaner uses the power of hydrogen peroxide and the degreasing ability of d-Limonene to lift away tough stains and soils from virtually any surface. It is specially formulated with a stable form of hydrogen peroxide at a high pH level, so it remains in an active state for a longer period of time than other “oxygen-based” cleaners. It is also environmentally safe and easy to use. Effective against coffee, tea, grass stains, grease, wine stains, ink, soda, juice and Kool-Aid, blood and pet stains. Also deodorizes as it cleans.

Other **HPO** Uses:
