

LO-FOAM STEAM EXTRACTOR CONCENTRATE

Carpet Steam Extractor Shampoo

- Made with a **non-foaming, free-rinsing** formula.
- Works well on **all synthetics, wool and blends**.
- For **use in all types** of steam extraction equipment.

Cleaning your carpet is easy when you use Share's **LO-FOAM STEAM EXTRACTOR CONCENTRATE**. A special blend of surfactants, detergents and suspending agents make stains and dirt disappear from carpeting. Formulated with a brightening agent, **LO-FOAM STEAM EXTRACTOR CONCENTRATE** will not bleed or dull the colour in your carpet. These cleaning and colour enhancing agents keep your carpet clean for longer periods thus extending the time interval between washings. **LO-FOAM STEAM EXTRACTOR CONCENTRATE** was developed specifically for use with automatic steam extraction machines. And added rust inhibiting chemical keeps from corroding internal mechanisms or parts within cleaners.

Other Uses:

(dilution)

Car & Truck Wash(1:10), Coil Cleaner (1:5), Kitchen Degreaser (1:4), Laundry Pre-Soak (1 cup/load), Water Filter Cleaner (1:4), Vinyl Cleaner (1:6).

Directions:

Use 2 to 4 ounces of **LO-FOAM STEAM EXTRACTOR CONCENTRATE** per gallon of water depending upon the amount of soil to be removed. For general maintenance of carpeting, use 1 to 2 ounces per gallon of water.
