

LOTIONIZED HAND SOAP

BATH, SHOWER & HAND SOAP

Form: Liquid **Color:** Pink **Odor:** Mild

- pH balanced formulation contains no abrasives or harsh alkaline cleaners.
- Light fragrance leaves a fresh scent.
- Leaves hands clean with no slippery residue.

LOTIONIZED HAND SOAP is our richest, most luxurious hand cleaner to date. Gentle cleaners in this lotionized formula deep-clean, penetrating into skin's pores to lift grease and dirt. Soil is easily removed by rinsing -- no scrubbing is required. **LOTIONIZED HAND SOAP** contains special skin care conditioners to soothe damaged skin, producing a protective barrier to prevent against chapping. It also contains a light fragrance to leave hands with a pleasant, fresh scent. This versatile soap may be used as a bath and shower soap or even a shampoo. **LOTIONIZED HAND SOAP** from Share leaves skin feeling the way it should after washing -- soft, smooth, clean and fresh.

Excellent for use in. . .

Hospitals
