

MULTI-METAL POLISH WIPES

CLEAN, POLISH & PROTECT SENSITIVE METAL SURFACES

Form: White Towel

Color: White

Odor: Low

- Quickly cleans and polishes many metal surfaces.
- Effectively removes tarnish but gentle to metal surfaces.
- Polish and buff with one convenient towel.

These pre-moistened wipes keep brass, silver, copper and other sensitive metal surfaces looking like new. Our powerful formula removes deposits, oxidation and corrosion quickly, yet it is gentle enough to also polish and protect the metal surfaces against further damage. 40 towel count per canister.

MULTI-METAL POLISH WIPES can be used on . . .

Brass

Chrome

Aluminum

Copper

Silver

Bronze

DIRECTIONS: Complete directions on product label.

Scrub surface with the abrasive side of the towel until stains disappear. Use the smooth side of the towel to wipe the surface clean. Buff lightly with a soft towel for a super shine.
