

ODOR NEUTRALIZER

CONCENTRATED ODOR CONTROLLANT

Form: Liquid **Color:** White **Odor:** Mild Floral

- Concentrated liquid formula can be diluted to achieve a desired strength that suits personal tastes.
- Dries quickly without streaking or leaving spots.
- Also used to deodorize automobiles, cigarette urns, garbage compactors, linen baskets, toilets, animal cages and anywhere offensive odors linger.

ODOR NEUTRALIZER has a floral scent which suppresses odors and spreads its pleasant scent through a room. Spray **ODOR NEUTRALIZER** and you not only eliminate awful smells, but actually change the mood of a room by filling it with the attractive, sweet aroma of wild flowers. Simply fill a spray bottle with **ODOR NEUTRALIZER** at full strength and give a few pumps. One or two squirts is all that is needed. **ODOR NEUTRALIZER** won't harm any surface because it contains no oils or staining ingredients.

Controls Odors in . . .

Automobiles
Cigarette Urns
Garbage Compactors
Linen Baskets

Garbage Dumpsters & Pails
Toilets
Kennels, etc.

Be sure to suggest to your customers to use a little the next time they do any carpet shampooing.

DIRECTIONS: For areas requiring extra attention, spray **ODOR NEUTRALIZER** into the air and direct towards the source of odors. For general deodorizing, dilute 1 to 2 ounces in 1 gallon of water and mist into the air. **ODOR NEUTRALIZER** can also be added to mop water and other cleaning solutions at 2 ounces per gallon of solution to leave surfaces not only clean but fresh smelling as well.

DEMO/TIPS: Spray **ODOR NEUTRALIZER** into the air so the customer can smell the gentle yet effective fragrance.
