

ORANGE MAGIC

Natural Citrus Cleaner Concentrate

- Completely **biodegradable** formula is **environmentally safe**.
- Excellent for use as a **total surface cleaner** and **degreaser** in restaurants.
- Multiple dilution rates provide **economical** options for **light to heavy cleaning jobs**.

Safe but strong cleaning is the most valuable attribute of **ORANGE MAGIC** from Share. This all-natural, concentrated cleaner and degreaser contains no petroleum distillates, no butyl and no chlorinated solvents. Instead, **ORANGE MAGIC** is formulated with powerful citrus extracts which have proven extremely effective at stripping away dirt, grease, grime and various other soils. This makes it the perfect degreaser for surfaces that accumulate heavy dirt deposits, but cannot withstand the harsh ingredients of most industrial cleaners. Whether used straight or in a water solution, **ORANGE MAGIC** also deodorizes surfaces by leaving behind the summer-fresh scent of oranges. For a powerful cleaner that's gentle on sensitive surfaces, the answer is **ORANGE MAGIC** from Share.

Other Uses:

(dilution)

Locker Cleaner (1:15), Floor Cleaner (1:10), File Cabinet Cleaner (1:15), Degreaser (undiluted), Grill Cleaner (1:4), Bus Wash (1:2), Truck & Trailer Wash (1:2)

Directions:

Light Duty Cleaning: Use 1 part **ORANGE MAGIC** in 10 to 15 parts of water. Medium Duty Cleaning: Use 1 part **ORANGE MAGIC** in 4 to 6 parts of water. Heavy Duty Cleaning: Use 1 part **ORANGE MAGIC** in 1 to 3 parts of water.
