

ORION DISH DETERGENT

LIQUID HAND DISHWASHING CONCENTRATE

Form: Liquid

Color: Amber

Odor: Lemon

- Can safely be used on all metals.
- Easily creates suds in both hard and soft water, phosphate free and completely biodegradable.
- Authorized for use in meat and poultry processing plants.

ORION DISH DETERGENT is your best choice for washing away dirt and food particles from a variety of dining and food processing equipment. It was developed specifically to cut through tough soils on pots and pans, like crusty, baked-on grease. This full lathering detergent suds-up quickly to penetrate and remove heavy soils and stains. **ORION DISH DETERGENT** is versatile and gentle enough to use on dishes, glassware, cutlery, grinders, mixers, choppers and a variety of other kitchen appliances and surfaces. When diluted down to the proper concentration, you can even use it with automated dish washing scrubbers. If you need a detergent you can use in kitchen settings or on food processing equipment, use **ORION DISH DETERGENT** from Share.

Other **ORION DISH DETERGENT** Uses . . .
