**PINE GUARD** is uniform in consistency and will not gel, cloud or leave a sticky residue. When used as directed **PINE GUARD** is extremely effective against both gram-positive and gram-negative organisms. Will not harm resilient or other hard floors not harmed by water alone, clothing, metal.

GUARANTEE: Ortho-Benzyl-para-Chlorophenol.....5.25%  
Pine Oil.....5.70%  
Isopropyl Alcohol.....16.75%  
Tetrasodium Ethylenediaminetetraacetate.....0.39%

**USE DIRECTIONS:** To clean, disinfect, deodorize and sanitize all hard environmental surfaces such as walls, ceilings, floors, locker rooms, shower stalls, urinals, baths, rest rooms, swimming pool areas, fixtures, equipment, garbage and disposal containers - apply a solution of 1 part cleaner to 64 parts water. Allow surfaces to remain wet for 10 minutes, then remove excess liquid. Scrub with a brush, mop or cloth. Pick up excess water. Rinse with clean clear water. Prepare a fresh solution for each use. Excellent for **PREVENTING AND DESTROYING ODORS** caused by the growth of bacteria, mold, mildew and fungi. A fresh pine odor permeates the area as it cleans. Truly a unique, broad spectrum disinfectant cleaner - sanitizer - deodorizer.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
