

POD TAGS

Hang Tag Deodorizer

- *100% more fragrance than typical air fresheners.*
- *VOC compliant. No ozone depleting ingredients – designated green product.*
- *Fragrances: Honeysuckle (crystal), Mango (orange), Spiced apple (red).*

POD TAGS are an environmentally friendly, VOC compliant hanging room deodorizer. Using a suction cup, this air freshener can be hung from a variety of surfaces including stall doors, toilets, fan cabinets and much more. **POD TAGS** refresh the air with 100% more fragrance than typical air fresheners, leaving the areas smelling clean. Clean up of **POD TAGS** is easy, simply remove the **POD TAG** and recycle. Win the battle against odours while protecting the environment using Share's **POD TAGS** hanging deodorizer.

Other Uses:

School Gyms, Sewage Treatment Plants, Open Pit Latrines, Locker Rooms, Clothing Factories, Food Processing Plants, Airports, Public Restrooms, Bus Depots, Hotels/Motels

Directions:

Unwrap **POD TAGS** and hang or suction cup (included) to surface. Remove and replace after 30 days.
