

# TILE & GROUT CLEANER

With Foaming Action

- *Detergents and powerful cleaners which quickly cut through soil on water, washable surfaces. **Biodegradable formula** will not harm bacterial action in septic tanks.*
- ***Chelating agents** to remove soap scum from tiles, tubs, sinks and showers.*
- *A **powerful degreaser** to remove greasy dirt from counter tops, appliances and stoves in kitchen areas. Has a **delightful fragrance** which leaves your rooms smelling 'Clean & Fresh'.*

This multi-purpose cleaner is effective in removing all types of soil from hard surfaces. **TILE & GROUT CLEANER** contains a powerful chelating agent to remove soap scum and hard water scale from tubs, tiles and shower doors. It also contains degreasers to clean even stubborn, greasy dirt. Special 360 spray any way valve allows the can to be sprayed in any position, making application easy. **TILE & GROUT CLEANER** is ideal for use on toilet bowls. Contains no phosphates. Leaves room smelling 'Clean and Fresh'.
