

PW CLEANER & DEODORIZER

Concentrated Cleaner

- *Economical concentrate that dilutes to a powerful and safe ready to use product.*
- *Strong enough to remove any stains or soil.*
- *Deodorizes as it cleans with a fresh pleasant fragrance.*

PW CLEANER & DEODORIZER is a powerful cleaning concentrate and has a zero rating of flammability, health and reactivity in the diluted solution. This biodegradable solution is also safe for the environment. This concentrate is not only safe to use, it is strong enough to remove just about any other soil or stain and deodorizes as it cleans.

Other Uses:

Metal, Fabrics, Fibreglass, Wood, Upholstery, Tile, Painted Surfaces, Plastic, Carpets, Rubber, Ceramic, Glass.

Directions:

Dilute 1 part cleaner with 8 parts cold water. Spray onto surfaces and wipe clean. Complete directions on product label.
