

# GREASE BREAKER NI

Powerful Alkaline Cleaner

- *Special cleaners include **grease dissolvers** and **rinse additives**.*
- *Recommended for cafeterias, restaurants, bakeries, food processing plants, hotels, etc., to use on countertops, grills and tables to eliminate grease, grime and stains.*
- *Apply at **full strength** or **dilute** depending upon the severity of the job.*

**GREASE BREAKER NI** from Share is a powerful cleaner with the necessary characteristics and capabilities to pervasively cut through grease as well as chisel away baked on food waste. **GREASE BREAKER NI** uses a series of exceptional alkaline ingredients that break down your worst grease and crust build-ups to restore kitchenware to its original silvery shine. Use it on a variety of surfaces without the worry of leaving an unsightly residue.

## Other Uses:

(dilution)

---

Coil Cleaner (1:30), Wax Stripper (full strength), Fire Hose/Coat Cleaner (1:40), Concrete Cleaner (1:10), Smoke House Cleaner (1:5), Soot Remover (1:5), Hot Tank Stripper (1:40), Wheel Cleaner (1:20), Truck Wash (1:30)

## Directions:

---

**GREASE BREAKER NI** May be applied directly from the container or may be diluted with water, depending upon specific cleaning needs. Thick deposits may require repeated applications to accomplish complete cleaning.

NOTE: DO NOT USE ON PAINTED OR ALUMINUM SURFACES.
