

# HAND SANITIZING WIPES

## Hand Sanitizer

- *Sanitizing formula kills harmful microorganisms. **Kills 99.99% of germs & bacteria within seconds.***
- ***Prevents cross-contamination.***
- *No mess compared to runny alcohol gels. **Non-abrasive fabric** thoroughly sanitizes while gentle to skin.*

**SANITIZING WIPES** were developed to immediately eliminate harmful microorganisms from skin. Pre-moistened with a powerful sanitizing formula, a single towel kills 99.9% of disease-causing microbes in only a few seconds. Unlike runny alcohol gels, **SANITIZING WIPES** aren't messy. Just tear, wipe and throw away. Plus, our special formula conditions skins as it sanitizes.

### Other Uses:

---

Telephones, Door Knobs, Light Switches. Can Be Used Anywhere - Medical Offices, Hospitals, Hotels, Schools, Dentist Offices, Day Care Centres, Restaurants, Nursing Homes, Correctional Facilities, Health Clubs, Etc.

### Directions:

---

**SANITIZING WIPES** do not cause a mess. They're ideal when soap and water are not available. Plus, each towel is fortified with emollients and natural oils to prevent chapping.
