

CITRASOLVE 202550

Aerosol Degreaser

- *Heavy Duty Citrus Degreaser/Degreaser*
- *Degreases metal parts, **electric motors** and equipment*
- *Pleasant citrus fragrance*

Citrasolve 202550 is a natural citrus cleaner and degreaser that removes dirt, grease, oil, adhesives, and tar. This powerful blend of organic solvents is recommended for use where highly toxic products are not suitable.

Citrasolve 202550 is formulated without the use of chlorinated or fluorinated solvents. This non-corrosive and non-conducting formula will improve electrical performance and increase equipment life.

Other Uses:

Wax Remover, Tar & Asphalt Remove, Gum Remove, Garbage Truck Deodorant, Decal Remover, Metal Degreaser

Directions:

Shake can well before using. May harm some plastics. Test on small area before using.

Do not use on sensitive electronic equipment: Computers, circuit boards, etc. Remove heavy contaminants and deposits by scraping. Apply liberally by spraying and allow to run off. Use extension tube for difficult to reach areas. Allow to air dry or dry with clean absorbent cloth.

NOTE-Not recommended for use on energized equipment
